

# Chair report for gardening club AGM

To all who have stuck with us over the past year of enforced non-activity in the Club, we thank you. For any newcomers to the village, we welcome you.

Many thanks also go to Diane Bates for her stalwart efforts in trying to fill our spot in the Slate just to prove us gardeners are still out there.

With Paul's confirmation that our coffers are not empty we will not be calling on members to pay a subscription this year and hope to offer a 2021 programme if at all possible.

We start this with a zoom session in March with a welcome return of our entertaining speaker, Mr Timothy Walker and hope many of you will try and tune in. Watch this space for an invitation.

Raise your teacups (or other) to vaccination and semi-normality affording a re-emergence to the world from enforced hibernation.

Wendy Gould (Chair SGC)
